

# Notes

Thomas McSweeney\*

July 21, 2020

---

**PURPOSE OF THIS DOCUMENT:** Any notes/thoughts/comments that occur to me as I go along.

---

- Created repository and have begun to migrate old code over.
- Concerned runtimes may be significantly longer than for the accelerated version—may need to optimize at some point in the future.
- Fulkerson ranking seems to work as before, at least in the upward, non-weighted case.
